Bring a current H6DMV printout to submit with your application.

Pedestrian Safety

The days are longer and lighter, and many outdoor activities are taking place throughout the City. Please be aware of pedestrians while you are driving; or if you are the pedestrian, be aware of automobiles, buses and bicyclists. Here are some safety tips:

Limit cell phone use while driving or walking - Cell phones distract you from paying attention to your surroundings.

Be watchful at all times - Expect the unexpected. Pedestrians can suddenly appear from between parked cars, especially children and the elderly.

Remember that a red light or arrow prohibits moving forward or turning - while walking, driving or riding a bike.

Yield to pedestrians - Be especially aware when at a stop or when turning at an intersection; pedestrians may be in the crosswalk.

Not all crosswalks are designated with painted lines - A pedestrian is considered in a crosswalk at all corners whether or not lines are painted on the street.
