Over the past two months, the officers at Bayview have been enforcing double parking violations. This enforcement effort has helped to abate the double parking problem in the district somewhat and we will continue until everyone in the district gets the message.

Soon, we will begin an operation with the Department of Parking and Traffic to tag vehicles parked on the sidewalk which block passage for pedestrians, baby strollers and wheel chairs. These are $100 citations. If you park your vehicle responsibly, respecting the rights of your neighbors and the visitors to our community, you should not have any problems.
