

BAYVIEW COMMUNITY UPDATE September 8, 2004

#### Community Sponsorship

Many very generous community members have sent in checks to help to pay for various youth programs which we are facilitating at Bayview. None of these checks have been cashed. We were waiting to see exactly which agencies would be participating and how the money was best appropriated. In the next few days we will begin to distribute these checks and I will be sending out personal letters of thanks to everyone who has contributed. Many thanks to everyone who has supported our efforts to provide quality activities for our Bayview youth.

#### Soccer

Our Bayview soccer team plays its first game this Saturday at 12:15 p.m. at McCoppin Field (west) versus the Lions. The field is located at 23rd Avenue and Santiago.

#### 49er Visit to the District

The 49ers are very committed to doing everything they can to stop the violence in the Bayview. To that end, Doctor John York, the owner of the 49ers, will bring together various high-profile sports and community leaders to speak out against violence. On Friday, September 10, at 2:00 p.m., these leaders will join together at Thurgood Marshall High School for an anti-violence discussion and rally. Joining Doctor York will be former Pro Bowler Jesse Sapolu, Special Consultant Dr. Harry Edwards and Supervisor Sophie Maxwell. In addition, the newest member of the Pro Football Hall of Fame, Carl Eller, will share his vision for stopping the violence in the Bayview.

#### Saga of the Cats

As mentioned yesterday, we have a collection of cats which have taken up residence in Bayview Station's parking lot. Some time ago, the SPCA ensured that the cats were all spayed, but this is apparently flea season and the cats are now supporting a large community of fleas. We spoke with the SPCA who suggested that we buy some "Advantage" and apply it to the cats, and we intend to do this. Many of the officers have taken to the cats and provide them with food and water, which is of course why they choose to remain in our parking lot. If you are good with cats and could assist us with the application of the Advantage, please drop me a line and we'll enlist you to help out with our flea / cat problem.

#### ROSES

We have moved September's ROSES meeting to this Thursday, September 9, at 7:00 p.m. at Bayview Station's community room.
