## Late Night Basketball

Ron Walton of Sunset Scavenger came in to the Joe Lee Gym tonight for Late Night Basketball and gave an excellent presentation to the young men on job opportunities with Nor Cal / Sunset Scavenger. The young men were very impressed with both his credibility and his personal story, and many of them approached him at the end of his presentation and asked for his card. Three basketball games will be played tonight (actually they're being played as I write this) at the gym if you're tired of the World Series and feel like taking in some pretty competitive basketball.
