Crime and Enforcement Update

On January 26, at 5:30 p.m., Bayview Officers Lew and Coleman responded to Mariposa and Rhode Island on a call of a man breaking into a car. The officers found a man at the scene who matched the description given and detained him. The man was in possession of two screwdrivers and the officers contacted the caller in order to gather additional information. The caller told officers that he had seen the detained man leaning into a parked car through a broken window. The officers then contacted the owner of the vehicle who also responded to the scene. The owner stated that nothing was missing from his car, but he also stated that his window had been intact when he parked his vehicle. The detained man, living on the 1800 block of Oakdale, was booked for possession of burglar tools (050 100 826).

On January 27, at 2:20 a.m., Bayview Officers responded to 3rd and Kirkwood on the report of two men breaking into a trailer. As the officers arrived, a man was seen running away from the area and he was detained. The caller in the case was unable to tell the officers if the detained man had been

involved in the burglary, but he provided the officers with a video tape of the event. The officers viewed the tape and determined that the detained suspect was not connected with the burglary, however, he did have an outstanding warrant for his arrest and was subsequently booked for the warrant (050 102 355).

On January 27, at 7:00 a.m., Bayview Officer Remedios, accompanied by Burglary Inspectors, responded to a home on Lucy Street to conduct a probation search as part of a burglary investigation. The officers located an individual in the premises who turned out to be a sex offender who had failed to register his new address. The man, who stated that he was now living on Lucy Street, was booked for failing to register as a sex offender (050 102 559).

On January 27, at 10:30 a.m., Bayview Officer Remedios responded to 6600 3rd Street on a theft call and determined that the suspect in the theft case was wanted for a parole violation. There was insufficient evidence to pursue theft charges against the man, and he was booked only for the parole violation (050 103 347).

On January 27, at 12:29 p.m., Bayview Officer Buelow responded to the State Parole Office at 1727 Mission Street to check on the status of a Potrero Hill burglar who had been identified earlier in the day from a photo taken as he fled from the victim's garage. The individual in question had just been released from State Prison two weeks earlier, where he had been serving time following a conviction for....burglary. As Officer Buelow entered the Parole Office he saw the suspect seated in the lobby (the subject was required to check in daily with his parole officer) and took him into custody. The subject, while being arrested, told Officer Buelow, "I should have grabbed that camera out of his (the victim's) hand as I left." The subject admitted that he has been entering numerous garages at night in the Potrero Hill area through unlocked rear doors. The subject would not admit to committing any burglaries, although he stated that the bicycle stolen in the most recent case (200 block of Texas) was probably at 7th and Mission Streets. (Officers later searched this area to no avail). The man was booked for burglary and violation of parole (050 102 452).

On January 27, at 3:56 p.m., Bayview Officers Escobar and Calaunan responded to Newhall and Oakdale on a call of two men selling drugs out of a white van with no plates. The officers located two men near the van and detained them, eventually determining that one of the men was wanted for an outstanding warrant from San Mateo County charging him with possession of crack cocaine. The man was booked for the warrant (050 105 406).

On January 27, at 4:49 p.m., Bayview Officers DeJesus, Fitzpatrick, Stoumen and Benzinger responded to Commer Court and Garlington on a shots fired call when they saw five men walking quickly away from the area. The officers saw that one of the men had what appeared to be a handgun in his waistband and the officers ordered him to stop. The man eventually complied and the officers then determined that the handgun was actually a gunbuckle shaped to look like a handgun. The man was wanted for an outstanding arrest warrant, and as the officers placed him under arrest, they located five individually wrapped rocks of crack cocaine in his clothing. The man was booked for the warrant and for possession of crack

cocaine for sale (050 104 931).

On January 27, at 5:28 p.m., Bayview plainclothes officers served a search warrant at 146 Kiska Road and seized numerous pieces of evidence related to narcotics sales, including scales, baggies and methamphetamine residue. The subject of the search warrant was detained and released, pending a more thorough investigation into the case (050 105 218).

On January 27, at 8:30 p.m., Bayview Officers Cruz and Festa responded to the 1300 block of Newcomb on a robbery call. The victim told officers that she had parked her car on the 1300 block of Keith and was walking home when she was approached from the rear by a man who grabbed her purse and knocked her to the ground. The suspect then fled with the purse. The suspect is a black male, 5'10", 140, no further description (050 105 876).

On January 27, at 9:01 p.m., Bayview Officer Benzinger, Scott and Izaguirre were on patrol at 3rd and Revere when they saw a man they know from numerous prior contacts loitering in front of the liquor store. The officers were aware that the man had a stay-away order from 3rd and Revere, and is also on felony probation for the same case. The man, living on Dakota, was arrested for violation of the stay-away order and was also charged with violation of probation. This is the third time that this man has been charged with violating the stay-away order on this same case. He is apparently quite fond of this particular liquor store and has no intention of altering his shopping patterns (050 105 917).

On January 27, at 9:13 p.m., Bayview Officers Pashby and Farrell responded to the 1600 block of McKinnon on the call of a man beating a woman with a chain. The officers located the female caller who told them that her boyfriend of one week had just beat her with his fists and threatened to beat her with a bike chain. The officers located the suspect in a nearby homeless shelter and placed him under arrest. The officers attempted to interview the suspect and told them to, "F___ off." They took this as a refusal to provide a statement and booked him for aggravated assault and making terrorist threats (050 105 967).
