

BAYVIEW COMMUNITY UPDATE February 3, 2005

Late Night Basketball

I met yesterday with Damone Hale of YCD and we discussed the next round of Late Night Basketball for the Bayview. This program, which ran last fall and ended around Thanksgiving, was very popular and had a successful run in the district. Bayview Station will work closely with YCD and the Bayview Hunter's Point Foundation to support this program and provide security at the Joe Lee Gym site.

Baseball

The PAL baseball season is fast approaching and we are looking to increase the number of teams we support this year. Last year, we had teams from Potrero Hill and Hunter's Point Hill, and this year we are looking to add a Doublerock team. We will be recruiting kids for these teams in the coming weeks.

Crime and Enforcement Update

On January 29, at 7:00 p.m., Bayview Officers Bradford and Calaunan responded to the first block of Crane Street on a domestic violence call. The female caller told officers that her husband was drunk and was trying to get her car keys so he could drive somewhere. The officers attempted to interview the husband outside the home, but he was so liquored up that he couldn't stand, and when questioned by the officers, he became aggressive and stated, "F___ you M_____ F_____ers, I'm glad they capped one of you all." The man was arrested for intoxication and the officers then determined that he had failed to properly register as a sex offender (the man has three prior convictions for rape). While at Bayview Station the man threatened to kill both officers and told them that he would see them again at "3rd and Newcomb, and we'll see what happens then." The man was booked for intoxication, threats against an officer, and failing to register as a sex offender (050 113 346).

On February 1, at 4:01 a.m., Bayview Officers Singh and Anderson were on patrol at 3rd and Kirkwood when they stopped a man riding a bicycle for

traffic violations. The man provided the officers with a fictitious name, and they were in the process of placing him under arrest when he suddenly bolted and ran north on 3rd Street. The officers pursued the man on foot to a series of backyards on the 1600 block of Kirkwood, and eventually found the man hiding on the roof of one of the buildings. The man jumped from the roof and attempted again to escape but was arrested by the officers. The officers determined the man's actual name and found an outstanding parole warrant for his arrest. The man, living on the first block of Northridge, was booked for the parole violation and various other charges (050 122 450).

On February 2, at 2:40 a.m., Bayview Officers Rodriguez and Chu responded to the 900 block of Hollister on an auto boosting in progress call. The officers found five men stripping an auto in a parking lot behind the Brett Harte Elementary School. The men, upon seeing the officers, ran away in different directions, but one of the men entered a blue Cadillac and attempted to drive away. The officers stopped the Cadillac and identified the driver, who provided a fictitious name. The driver was brought to Bayview Station, where he was correctly identified and it was determined that the vehicle being stripped had been taken in a carjacking incident. The driver, living on the 1100 block of Gilman, was booked for traffic and criminal charges (050 127 319).

On February 2, at 8:15 a.m., Bayview Officers Garate and Ernst responded to 25th and Wisconsin on the report of shots being fired at a Muni bus. There was no bus at the scene and the officers eventually located it at 7th and Howard Streets. The driver told officers that he had picked up 6 or 7 juveniles at Westpoint and Middlepoint and was driving past 25th and Wisconsin when the juveniles began "flashing gang signs" to people on the street. The driver then saw a black male, 5'8", 220, 20 years, carrying a rifle and walking toward the bus. The juveniles then jumped out of an emergency window and the driver heard a single gunshot. No victims were located (050 127 751).

On February 2, at 10:30 a.m., Bayview officers were sent by the United States Marine Corp Collection Unit to a home on the 600 block of Bowdoin to

arrest a man for a military warrant. The subject was found at home and was arrested for the warrant (050 128 373).

On February 2, at 2:32 p.m., officers assigned to our Gang Task Force, accompanied by Bayview officers, responded to the 700 block of Kirkwood to serve an arrest warrant. The warrant had been issued for a shooting which had taken place last week on the same block (mentioned in earlier e-mail). The man was not home and the officers learned that he was working as a security guard at a UPS warehouse in South San Francisco. The officers responded to the warehouse and arrested the man without incident. The man, living on the 700 block of Kirkwood, was booked for the \$500,000.00 warrant which charged him with attempted murder (050 120 896).

On February 2, at 6:22 p.m., Bayview Officers Dockery and Pascua were on foot patrol on the 100 block of Westpoint Road when they received information that people were illegally residing inside of 96 Westpoint Road, which is supposed to be a vacant unit. The officers found four individuals inside the unit. Three of the individuals were able to adequately identify themselves and were cited for trespassing. The fourth individual provided officers with a name they suspected was fictitious, and he was brought to Bayview Station where he was correctly identified via fingerprints. This subject was wanted for an outstanding parole warrant, and had also been named recently as the suspect in a stabbing incident. The man was booked for the warrant and for aggravated assault (050 130 748).

On February 2, at 6:45 p.m., Bayview Officers Bradford and Coleman responded to the 2500 block of Hawes on a fight call. The officers were met by a mother and daughter who stated that they had arrived home to find their 14 year old son / brother in the company of an 18 year old girl. The mother stated that she has forbidden the son from seeing the girl due to the age difference, and she suspected the two were having sex. The mother confronted the son with her concerns and the son began to punch and yell at the sister. The boy was booked at YGC for aggravated assault (050 130 964).

On February 2, at 8:45 p.m., Bayview Officers Mitchell and Haynes were on foot patrol at 3rd and LaSalle when they saw a vehicle spinning its tires

while stopped for the red light. The officers then saw the vehicle take off (through the red light), leaving a large black cloud of smoke behind. The vehicle's rear end began to "fishtail," and the vehicle took off south on 3rd at a high rate of speed. The officers got into their vehicle and stopped the speeding vehicle at 3rd and Shafter. The officers approached the driver, who shouted various obscenities at them as he held his vehicle registration out the window. The officers explained to the driver why they had pulled him over and he stated, "I don't give a f___, just give me the ticket so I can get out of here." The officers told the man that he had been driving recklessly and he told the officers, "You can't do s___." The man, living on the 200 block of Harbor Road, was cited for reckless driving and his vehicle was towed (050 1231 194).

On February 3, at 1:46 a.m., Bayview Officers Singh and Pashby were on patrol at 3rd and Revere when they stopped a man on a bicycle for traffic violations. As the officers were approaching the man, they saw him drop a bag to the sidewalk. The officers retrieved the bag and found it to contain 15 individually wrapped rocks of crack cocaine. The man immediately stated, "That's not mine, I found it a couple of blocks away and just picked it up." The officers, although trusting by nature, found this explanation disingenuous and arrested the man. As the man was being arrested and handcuffed, he then dropped a fully loaded handgun which the officers also seized. The man, living on the 1700 block of LaSalle, was booked for possession of crack cocaine for sale, possession of a loaded and concealed handgun by a felon, possession of stolen property (the gun had been reported stolen from Nashville), and traffic offenses (050 131 780).

On February 3, at 3:12 a.m., Bayview Officers Anderson and Farrell responded to the 100 block of Middlepoint on a shots fired call. The caller told officers that four bullets had just been fired into his home. The caller stated that he believes that someone in a passing car had shot at the numerous young men who "hang out" in front of his home, and the errant bullets had entered his home (050 131 928).

Miscellaneous Crimes

1231	2300	1350 Newhall	Theft utility services (late report)
