

BAYVIEW COMMUNITY UPDATE August 17, 2004

Police Offices in Public Housing

After many months of working closely with the San Francisco Housing Authority on this issue, we are close to opening all three of our offices in public housing. The first office, at 130 Westpoint Road, has been utilized for some time now. The second office, at 195 Kiska Road (inside the Milton Meyer / Hunter's Point Gym) is almost ready, as is the third office on Connecticut Street. As each of these offices become fully functional, it will be announced via e-mail.

Drug Free Zone Signs

I received an e-mail yesterday that the Drug Free Zone signs are now ready to be put up around the district. There are over 70 locations where these signs will be displayed, and we are looking forward to working closely with the DA's office to ensure that these "enhancements" are charged. This enhancement provides for additional jail time for persons who sell drugs within 1000 feet of any schools or youth centers.

SFERP

The San Francisco Electric Reliability Project will hold a project workshop on Wednesday, August 25, at 6:00 p.m. at the California College of the Arts, 1111 8th Street. The focus of the meeting will be the siting of three 48 MW combustion turbines at the Potrero Power Plant Site (Illinois and 23rd). For additional information, phone Jim Marks, SFPUC, at 554-3237.
